

Letter not dated sent from brother Oleska (Aleksander Zastawsky) to Emilia Tchir Zastawska:

Dear Sister,

This is your brother , Oleska, who has remained at home. I am asking about the health of Andrew, Michael and Wasyl. Did anyone get married? I though my family forgot about me.

Dear Sister, I heard that land in the valley was being sold by you. I would like to buy it but perhaps you do not want to sell it to me. I will write more next time.

I am also sending my regards to you and to Andrew, Michael and Roman.

Oleska Zastawsky, Ulucz
